give your home
the human touch

COLOUR OF THE YEAR 2020

Tranquil Dawn (Grey Jeans 45GY 55/052) has an air of calm and clarity that perfectly reflects our theme. Inspired by the dawn horizon, it is a delicate, fluid shade that sits somewhere between green, grey and blue. Its effect changes depending on the colours it is used with, making it a beautiful versatile shade that gives our homes 'The human touch'.
